PARENT TEACHER INTERVIEWS

Wednesday 2nd December from 2:00pm
(from 4:00pm for Prep Families)

As part of our commitment to communication between school and families, we have scheduled another opportunity for parents/guardians to meet with teachers to discuss their children’s progress (Wed 2nd December).

We would encourage all to take advantage of this opportunity however we do understand that some families will have met with their child’s teacher already this term. Therefore we understand there may be some people who do not need or wish to meet with their child’s teacher again at this time.

Likewise, those who have PSG meetings scheduled for their children this term would not be expected to also attend a Parent Teacher interview, as there would have been opportunities to discuss progress and goals at that meeting.

Some things to note:

- Interviews will go for 15 minutes (extended from 10 mins in response to parent feedback).
- We will signal the end of each 15 minute slot with a reminder bell. Please show consideration for other parents by helping to keep interviews to time.
- Interviews will be between 2:00pm -6:30pm.
- Please use the online booking system.
- There will be a limited number of interview time slots available. If you are unable to secure a time via the online booking system, please contact your child’s teacher directly to set another mutually convenient time.
- NO EARLY FINISH! Children dismissed at 3:10pm.
- SPECIAL NOTE: Junior Cross Country—Prep to 2 Students will be participating in their Junior Cross Country Races on this day (2nd Dec), between 1.15 and 1.45pm (approx) - All welcome
